FINAL PLAT FIRE SPRINKLER

Residential Fire Sprinkler Certificate Consolidated Utility District of Rutherford County

Consolidated Utility District can adequately serve the development of _____ for domestic water service. Adequate fire protection cannot be obtained through fire hydrants to be installed and Rutherford County requires all occupied structures, including detached garages constructed within this development be protected by independent fire sprinkler systems. Installation criteria from the State Fire Marshall's Office and Consolidated Utility District must be met. Inspection and approval of each structure constructed will be completed by the local building code authority with jurisdiction. Residential fire sprinkler systems will require a one inch meter installation.
