Move-Tap Request

A completed copy of this approval form must be presented when requesting to relocate WATER SERVICE with CUDRC. You may email this form for review and/or approval, along with the plan to cudengineering@cudrc.com, or you may drop off the form at the Engineering Annex 8:00am-4:00pm Monday-Friday.

If approved, you will receive the Signed Approved form via email. If it is determined that Approval cannot be given, you will be emailed the reason(s) why, so you may resubmit with corrections and/or additions.

The Home Builder shall pay construction costs determined by CUD for labor and materials as well as a $330.00 Move-Tap Plan Review Fee prior to CUD approval of move-tap purchase. The referenced lot is subject to CUD easements that were granted to CUD at the time the lot was originally platted. CUD will require that an amendment plat be generated and recorded detailing the corrected tap/meter location and associated easements dedicated to CUD. Home Builder must submit a Move-Tap plan with requirements listed in red at bottom of page. Home Builder required to sign highlighted portion (see below).
